|--------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Artikeltext<br/>Deutsch</b> | Der homebasket ist der perfekte Sparringspartner, wenn es um Ordnung zu Hause geht. Er mag es nämlich, wenn die unterschiedlichsten Dinge an ihrem Platz sind, und zeigt sich offen für alles, was man aufbewahren will. Dazu seine Standfestigkeit – einfach sagenhaft. Aufräumen war noch nie so schön! |
|--------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

|                                 |                                                                                                                                                                                                                                                                                                                                                                                                                                        |

|                                    |                                                                                                                                                                                                                                                                                                                     |
|------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Artikeltext<br/>Französisch</b> | Le homebasket est le partenaire d'entraînement idéal lorsqu'il s'agit de rangement à la maison. Il aime en effet que les objets les plus divers soient à leur place et se montre ouvert à tout ce que l'on veut ranger. De plus, sa stabilité est tout simplement fabuleuse. Ranger n'a jamais été aussi agréable ! |
