

MANUFACTURING PROCESS

PRODUCT : Napkins / table runner (paper)
TARIC-CODE : 48183000 (Integrated Tariff of the European Communities)
TRADE NAME : Ambiente

Manufacturing process:

In our print factory at Beugen we produce on our flexo printing machines paper napkins and table runners. The basic raw materials we use to produce a packet of napkins or table runners are FSC-certified tissue, water-based printing inks and packaging foil.

Test laboratory:

TÜV Rheinland LGA Products GmbH
Am Grauen Stein
D-51105 Cologne/Germany
